

**Niagara Frontier Section
and the Aero Club of Buffalo**

Webinar, Thursday November 19th, 6:00 PM EST

Rogers Smith
*My Journey: Honest Ed's
to the Blackbird at Mach 3.2*

Please join us this month for our formal meeting welcoming eight student branches and over 200 professional members of AIAA in Ontario and Quebec to the Niagara Frontier Section. We couldn't have a more appropriate speaker than Rogers Smith, a member of both the Canadian Aviation Hall of Fame in Vancouver and the Niagara Frontier Aviation and Space Hall of Fame in Buffalo.

Raised in Toronto and a graduate of the University of Toronto, Rogers has had a distinguished aerospace career on both sides of the border. He served as a fighter pilot in both the RCAF and U.S. Air National Guard, and as a test pilot for the National Research Council of Canada, Calspan Corporation, and NASA, retiring from the latter as chief pilot.

Pre-registration is required. Use this link <https://tinyurl.com/yy75ugev> to register and receive your invitation to attend on the 19th.
